WORK EXPERIENCE

Software engineer

Celata Tech (Pvt) Ltd. [01/08/2021 – Current]

City: Mount Lavinia

Country: Sri Lanka

Celata Tech (Pvt) Ltd. is a registered company under Sri Lanka Registrar of Companies. They have been highly appreciated by various clients in public and private sector all over the country as the best GIS base solution provider. I work as a full-stack developer here, responsible for building, deploying and maintaining internal web applications.

- Developed indexed database architecture using MYSQL procedures and triggers for different applications
- Worked with PHP to develop automated solutions to include web interfaces using HTML, CSS, JavaScript and Web services
- Developed applications front end using framework, Vue.js and back end using framework PHP Laravel

Software engineer

Asians Eye Software Solutions [01/12/2020 – 31/07/2021]

City: Hambantota

Country: Sri Lanka

I have worked as a freelancer software engineer and Co-founder of Asians Eye Company. Specific responsibilities include discussing requirements with clients, making website development proposals, designing page layout, working with content management systems, making sure their work follows the client's branding policy, writing code, and collaborating with graphic designers and content writers.

- Developed indexed database architecture using MYSQL procedures and triggers for different applications
- Worked with PHP to develop automated solutions to include web interfaces using HTML, CSS, JavaScript and Web services
- Developed applications front end and back end using framework PHP Codeigniter

Software engineer

Infact Solutions (pvt) Ltd [01/09/2018 – 30/11/2020]

City: Dehiwala-Mount Lavinia

Country: Sri Lanka
